

PIE DRIVE FUNDRAISING

FUNDRAISING, IT'S AS EASY AS PIE!

Our Pie Drive is perfect for schools, community groups and sports clubs. It's simple, we sell our pies to your organisation at a special price, and you on-sell the pies (in packs of 5) to your members at a higher price – the profit you make generates funds for your organisation.

Our award-winning pies are the perfect heat at home dinner for your community members. Each one is made with premium quality ingredients and buttery golden pastry.

Follow these steps to organise your pie drive with us.

Step 1 – Plan

Speak to your local Ferguson Plarre store to plan and book in your fundraiser. You'll need to plan carefully;

- Think about the date you will collect the pies and work backwards from there.
- Plan how long you will need to raise awareness and collect orders from your community.
- Keep in mind that we will need 7 days' notice to organise your pies.

You can find your local store here fergusonplarre.com.au/locations.

Step 2 – Promote

Tell your community about your fundraiser. Promote your fundraiser around your community with posters and flyers.

Distribute order forms so your community can tell you how many packs of heat at home pies they want to buy.

We recommend attaching a letter to the order form, to explain why you're raising money.

We have created some materials to help you with your promotion. You can find these here fergusonplarre.com.au/pie-fundraising

Step 3 – Collect

Collect all the order forms and payments from your community. We recommend the organiser uses our master order form to count and create a record of all individual orders. You'll need this to ensure you deliver the right pies to the right people!

Step 4 – Place Your Order

Place your master order online via our fundraising page or directly with your local store at least 7 days before you need to collect your pie. Place your order here fergusonplarre.com.au/pie-fundraising

Step 5 – Collect and Distribute

Collect your pies from your local store on your chosen day and distribute to your fundraisers. You can pay for these on the collection day or at any time before.
